2022

Upon this the life was taken out of the body (for a season) and it was thus resembled, as if a man with a great brush dipped in whiting, should with one stroke wipe out, or sweep off a picture upon a wall, &c. After a while, breath and life was returned into the form again. Whereupon I saw various streams of light (in the night) which appeared to the outward eye,

-A Fiery Flying Roll, Abeizer Coppe, 1652
